

Park at the

The Renasant Convention Center would like to invite you to use our newly revamped parking lot for long term parking for buses and vans. We understand that finding parking downtown for large vehicles can be a challenge. For \$50, your groups can park their buses in our lot all day. You can upcharge our base rate as you deem necessary and then add to the master bill for a simple process for your group guests. The Renasant Convention Center will invoice our partner hotels directly for the spaces used. Please contact us at info@rcc.com with questions or to reserve a spot.
